\$40 for each additional 10'x10' space

**\*\*Please note that the \$110 full-season fee breaks down to a weekly fee of \$6.47.**

All space fees collected by the Hampstead Farmers' Market will be used expressly for the promotional and operational expenses of the market. **All vendor fees are non-refundable. When paid, vendor fees become the property of the HFM, and are used solely to support the operation of the Market. Vendor fees may be used for supplies, advertising, entertainment, toilet rental, and other Market needs at the sole discretion of the Market Managers and Team. The Market Managers and Team members are volunteers and take NO SALARY OR FEES from the Hampstead Farmers' Market.**

12. Full-season participants are expected to attend the market **every** week. Refer to Item #7.
13. The success of the market relies on the momentum built by the active and consistent, weekly participation of all farmers/producers, starting with the opening market day in June, and lasting through the last market day in September.
14. Each full-season participant shall have an assigned space at the Market location, assigned to it by the Market Managers. However, the Managers reserve the right to reassign market spaces as they see fit in the best interest of the Market, depending upon the arrival time of each vendor. The size of the market space required by the farmer/producer must be listed on the application/agreement that market participants sign when submitting their annual fee.
15. **Vendor Parking:** Vendors are permitted to park vehicles on the field behind their tents based on the number of tent spaces rented. Example: A vendor renting one space may park one vehicle on the field behind their tent; a vendor renting two spaces may park two vehicles on the field behind their tents, and so on. Vendors who have additional vehicles with produce may park those vehicles near their tent on the paved lot adjoining the field. Extra vendor-related vehicles belonging to workers, assistants, and/or family members **MUST BE PARKED ON THE PAVED LOT ADJACENT TO THE HVFD BUILDING. This will allow for ample parking nearest the field to be used by Market customers.**
16. No full- or partial-season participant shall have the right to sub-lease, sell, transfer, or permit any other seller to use their assigned space without prior approval of the Team.

17. The Market's Managers' duties shall include assigning market spaces, inspecting displays, supervising selling practices, collecting fees, and performing whatever additional duties are necessary to ensure the proper operation of the market. Market participants must immediately report any accidents or unusual occurrences to the Market Managers.
18. The Team, or its designee, reserves the right to conduct official on-site inspections of farms or food-producing operations used by market participants.
19. Complaints of a suspected violation of the producer-only rule should be submitted in writing to the Market Managers. The identity of the person submitting the complaint shall be kept confidential. The Managers will notify the subject of the complaint as soon as possible to determine what level of investigation is necessary, up to and including a site visit. Farmers/producers refusing to cooperate with a site visit will be permanently removed from the market. Any farmer/producer who is found to have violated the producer-only rule will receive a warning, a temporary suspension, or be permanently removed from the market, depending on the severity of the offense. Any subsequent violation of the producer-only rule will be grounds for permanent removal from the market. Complaint resolution is the responsibility of the Market Managers, who will act upon the complaint immediately following receipt of the complaint. **If violations of the Market Regulations relating to Producer-Only violations result in suspension or exclusion from the Hampstead Farmers' Market, no refund of fees will be made.**
20. Market participants are encouraged to accept the Maryland Department of Agriculture's Farmers' Market Nutrition Program (FMNP) coupons, which will be redeemed by the Maryland Department of Agriculture. Participants are also encouraged to accept Carroll County Food Sunday Vouchers, which will be redeemed by the Carroll County Food Sunday program.
